JEM Capacity by Area Conference !

[University Events](#) [University of Vienna](#) Vienna

Conference

JEM demonstration event and media. This event and all its images exist only to demonstrate JEM features. What this example demonstrates: capacity-only registration assigned to separate areas in an immutable venue snapshot. The waiting list is enabled so full-capacity behaviour can be tested. Louvre Small Group Tour

[Museum](#) [Musée du Louvre](#) Paris

Guided Tour

JEM demonstration event and media. This event and all its images exist only to demonstrate JEM features. What this example demonstrates: Classic registration, exact event places and waiting-list behaviour without requiring a venue profile. The waiting list is enabled so full-capacity behaviour can be tested. [Weiterlesen](#)
